## Software Engineer

Tangerang, Indonesia | +6281311008828 | [dmnaufal7@gmail.com](mailto:dmnaufal7@gmail.com) | [LinkedIn](#) | [Github](#)

### SUMMARY

A passionate Full Stack JavaScript developer with a solid foundation in Information Technology and hands-on experience from Hactiv8's intensive coding bootcamp. With two years of experience teaching programming and multimedia, I have a proven ability to simplify complex technical concepts. My technical expertise spans JavaScript, PHP, React, Node.js, Express, GraphQL, and more. Eager to bring a blend of technical skills and instructional experience to dynamic development projects.
